Greetings from Shrishti Vidyashram Senior Secondary School.

As part of our commitment to creating a Green Campus and promoting sustainable practices, our school is organizing a Green Sports Day Initiative during the 23rd Annual Athletic Meet on Thursday, 13th August 2026.

To reduce traffic congestion, fuel consumption, and carbon emissions on the day of the event, we request all parents to participate in our Car Pooling Initiative.

Parents who are willing to:

- Offer seats in their vehicle to other families.
- Travel with another family through car pooling.

are kindly requested to register their willingness by completing the Google Form using the link below:

Based on the responses received, the school will connect parents from the same locality who have provided their consent, enabling them to coordinate car pooling conveniently.

Together, let us make our **Annual Athletic Meet** a **Green Sports Day** by reducing vehicle emissions, easing traffic congestion, and promoting environmental responsibility.

We sincerely appreciate your support and cooperation in making this initiative a success.

Kindly submit your response on or before 8th August 2026.
